

Description

Digital Analog Trainer Kit

10 TTL/CMOS Logic Level Inputs Switches, 10 LED Indicator output.

On board Logic Pulser, Logic Probe, Two nos. of BCD Seven Segment Display.

On board Logic Pulser, Logic Probe, Two nos. of BCD Seven Segment Display.

Provides 200Khz Sine, Square and Triangular generator, Fixed Clock generation.

In built fixed DC Power Supply: +5V, $\pm 12V$, Variable DC supply of 0 to $\pm 15V$, AC Power Supply of 18V-0-18V.

Digital Analog Trainer Kit Manufacturer India, Digital Analog Trainer Kit Exporters, Electronics Instruments Digital Analog Trainer Kit, Digital Analog Trainer Kit Suppliers, Buy Digital Analog Trainer Kit, Buy Digital Analog Trainer Kit Online India, Didactic, Didactic Electronics Instruments, Electronics Instruments Exporters India, Electronics Instruments Suppliers, Electronics Instruments Manufacturer.
