Product Code . JL-PET-10178

Digital Trainer Kit

Description

Digital Trainer Kit

10 TTL/CMOS Logic Level Inputs Switches, 10 LED Indicator for output.

On board Logic Pulser, Logic Probe, Four nos. of BCD Seven Segment Display.

On board 1880 tie points bread board, Fixed Clock generation.

In built fixed DC Power Supply:- +5V, ±12V

Digital Trainer Kit Manufacturer India, Digital Trainer Kit Exporters, Electronics Instruments Digital Trainer Kit, Digital Trainer Kit Suppliers, Buy Digital Trainer Kit, Buy Digital Trainer Kit Online India, Didactic, Didactic Electronics Instruments, Electronics Instruments Exporters India, Electronics Instruments Suppliers, Electronics Instruments Manufacturer.
