

Product Code . JL-PET-10196

PSK Modulation and Demodulation Kit

Description

PSK Modulation and Demodulation Kit

Sine waveform output from 10KHz. - 20 KHz.

Four Nos. of Data Clock using.

PSK -Modulator circuit using.

PSK -Demodulator using.

PSK Modulation and Demodulation Kit Manufacturer India, PSK Modulation and Demodulation Kit Exporters, Electronics Instruments PSK Modulation and Demodulation Kit, PSK Modulation and Demodulation Kit Suppliers, Buy PSK Modulation and Demodulation Kit, Buy PSK Modulation and Demodulation Kit Online India, Didactic, Didactic Electronics Instruments, Electronics Instruments Exporters India, Electronics Instruments Suppliers, Electronics Instruments Manufacturer.
