

Product Code . JL-PET-10201

PPM Modulation and Demodulation Kit

Description

PPM Modulation and Demodulation Kit

Provides Sine waveform output variable from 1KHz.-1.2 KHz.

Sampling Frequency generation TTL output of 34 KHz.

PPM -modulator circuit.

PPM -Demodulator Low Pass Filter.

PPM Modulation and Demodulation Kit Manufacturer India, PPM Modulation and Demodulation Kit Exporters, Electronics Instruments PPM Modulation and Demodulation Kit, PPM Modulation and Demodulation Kit Suppliers, Buy PPM Modulation and Demodulation Kit, Buy PPM Modulation and Demodulation Kit Online India, Didactic, Didactic Electronics Instruments, Electronics Instruments Exporters India, Electronics Instruments Suppliers, Electronics Instruments Manufacturer.
