

Product Code . JL-PET-10203

DPSK Modulation and Demodulation Kit

Description

DPSK Modulation and Demodulation Kit

Sine waveform output variable from 10KHz. - 20 KHz.

Four Nos. of Data Clock using.

DPSK -modulator circuit using.

DPSK -Demodulator using.

DPSK Modulation and Demodulation Kit Manufacturer India, DPSK Modulation and Demodulation Kit Exporters, Electronics Instruments DPSK Modulation and Demodulation Kit, DPSK Modulation and Demodulation Kit Suppliers, Buy DPSK Modulation and Demodulation Kit, Buy DPSK Modulation and Demodulation Kit Online India, Didactic, Didactic Electronics Instruments, Electronics Instruments Exporters India, Electronics Instruments Suppliers, Electronics Instruments Manufacturer.
