

**Product Code . JL-PET-10245**

## Synchro Transmitter and Reciever

### Description

---

Synchro Transmitter and Reciever

Synchro transmitter-receiver pair with calibrated dials enclosed In see through metal cabinet.

Locking system for receiver rotor, Receiver use as control transformer.

Built-in balanced demodulator circuit, Panel meter for ac/dc voltages.

**Synchro Transmitter and Receiver Manufacturer India, Synchro Transmitter and Receiver Exporters, Electronics Instruments Synchro Transmitter and Receiver, Synchro Transmitter and Receiver Suppliers, Buy Synchro Transmitter and Receiver, Buy Synchro Transmitter and Receiver Online India, Didactic, Didactic Electronics Instruments, Electronics Instruments Exporters India, Electronics Instruments Suppliers, Electronics Instruments Manufacturer.**
