

Product Code . JL-FOT-10270

Brushless DC Motor Trainer

Description

Brushless DC Motor Trainer

Trainer having control panel should provided in 40X40 mm Aluminum profile rack with sturdy table top flat panel.

Should have 1phase power supply with DC Panel.

Should have DC Voltmeter & Ammeter panel.

Should have Controller panel.

Should supply with Brushless DC Motor.

Brushless DC Motor Trainer Manufacturer India, Brushless DC Motor Trainer Exporters, Electronics Instruments Brushless DC Motor Trainer, Brushless DC Motor Trainer Suppliers, Buy Brushless DC Motor Trainer, Buy Brushless DC Motor Trainer Online India, Didactic, Didactic Electronics Instruments, Electronics Instruments Exporters India, Electronics Instruments Suppliers, Electronics Instruments Manufacturer
