

Product Code . JL-FOT-10271

3 Phase Induction Motor Trainer

Description

3 Phase Induction Motor Trainer

Trainer having control panel should provided in 40X40 mm Aluminum profile rack with sturdy table top flat panel.

Should have 1 ph. Supply, Multifunction Panel.

Should have IGBT Controlled AC panel.

Should have Voltmeter & Ammeter panel.

Should supply with Induction Motor.

Phase Induction Motor Trainer Manufacturer India, 3 Phase Induction Motor Trainer Exporters, Electronics Instruments 3 Phase Induction Motor Trainer, 3 Phase Induction Motor Trainer Suppliers, Buy Phase Induction Motor Trainer, Buy Phase Induction Motor Trainer Online India, Didactic, Didactic Electronics Instruments, Electronics Instruments Exporters India, Electronics Instruments Suppliers, Electronics Instruments Manufacturer
