

Product Code . JL-FOT-10289

## Heat Transfer from a Pin Fin

### Description

---

Thermal Conductivity of Insulating Powder

Inner sphere diameter 100 mm.

Outer sphere diameter 200 mm.

Heater-Nichrome wire sandwiched between mica sheets.

Control Panel consisting of Voltmeter, Ammeter, Dimmerstat, Digital Temperature Indicator with chromel alumel thermocouples.

**Heat Transfer from a Pin Fin Manufacturer India, Heat Transfer from a Pin Fin Exporters, Electronics Instruments Heat Transfer from a Pin Fin, Heat Transfer from a Pin Fin Suppliers, Buy Heat Transfer from a Pin Fin, Buy Heat Transfer from a Pin Fin Online India, Didactic, Didactic Electronics Instruments, Electronics Instruments Exporters India, Electronics Instruments Suppliers, Electronics Instruments Manufacturer**
