

Description

Parallel Flow and Counter Flow Heat Exchanger

Length of Heat Exchange 1.6 m Outer late material G. I.

I. D. - 27.5mm O. D. - 33.8mm.

Inner tube material - Copper O.D, 12.7mm.

Thermometer 0° to 200°C-Inos.

Geyser - Instantaneous type. 3kw capacity - inn.

Parallel Flow and Counter Flow Heat Exchanger Manufacturer India, Parallel Flow and Counter Flow Heat Exchanger Exporters, Electronics Instruments Parallel Flow and Counter Flow Heat Exchanger, Parallel Flow and Counter Flow Heat Exchanger Suppliers, Buy Parallel Flow and Counter Flow Heat Exchanger, Buy Parallel Flow and Counter Flow Heat Exchanger Online India, Didactic, Didactic Electronics Instruments, Electronics Instruments Exporters India, Electronics Instruments Suppliers, Electronics Instruments Manufacturer
