

**Product Code . JL-FOT-10294**

## CNC Machine Trainer

### Description

---

CNC Machine Trainer

3 Axis Standalone CNC Controller with spindle and MPG Support.

Support the USB flash disk to read the G code.

4.3" TFT screen, resolution ratio?480\*272 with 17 operational keys.

Support the panel key with single-axis manual operation, manual step and continued operations.

Machine Dimensions:- 610×485×395mm.

Be equipped with MPG port and support digital display MPG as well as support the general MPG in the market.

Experiment application:- Engraving, Drilling & Cutting for Wood,bamboo, PCB, PVC, PMMA, plastics, ABS etc.

**CNC Machine Trainer Manufacturer India, CNC Machine Trainer Exporters, Electronics Instruments CNC Machine Trainer, CNC Machine Trainer Suppliers, Buy CNC Machine Trainer, Buy CNC Machine Trainer Online India, Didactic, Didactic Electronics Instruments, Electronics Instruments Exporters India, Electronics Instruments Suppliers, Electronics Instruments Manufacturer**
