

**Product Code . JL-RE-10525**

## All Purpose Equipment

### Description

---

#### All Purpose Equipment

##### Description:-

All Purpose Solution for pilot scale mixing, size reduction, tablet coating and granulation research work.

All-purpose system is based on a powerful main drive unit. The various attachments can be easily and quickly connected by means of a universal gear box or directly. The AP-01 Plus is equipped with a single phase AC motor. The sturdy ball bearing worm gear drive is completely maintenance free.

The All-Purpose equipment is ideal for research and small scale production in the pharmaceutical, chemical, cosmetic & food industries. It fits perfectly in to research & developments of tablets, creams & more. The modular design is compact, economical & offers a powerful motor drive with a wide range of easily interchangeable attachments for various applications. The different possibilities are as follows:

Coating

Polishing

---

Homogenizing

Stirring

Mixing

Granulating

Grinding

**All Purpose Equipment Manufacturer, All Purpose Equipment Suppliers, All Purpose Equipment India, All Purpose Equipment Exporter, buy All Purpose Equipment, Research Equipment, All Purpose Equipment, Analytical Research Equipments, buy All Purpose Equipment Online India**
