

Product Code . JL-LE-1098

Helium Neon Laser He.Ne. Lasers

Description

Helium Neon Laser He.Ne. Lasers

- A 2 milliwatt Laser, Mountable on optical bench, with in built power supply workable on 220V AC. 50Hz.
- Design for continues working, Highly rugged mechanical setup.
- Up-Down motion for beam.
- A helium–neon laser or HeNe laser is a gas laser consisting of a mixture of neon and helium within a small bore capillary tube, which is excited by a DC electrical discharge.

Contact JLab Export for your Educational School Science Lab Equipments. We are best school science lab equipments suppliers in india, school science lab instruments, school science lab instruments exporter, school science lab instruments manufacturer, school scientific equipments, science educational equipment.
