

**Product Code . JL-VOVLACOS-1102**

## Resistances in Series and Parallel Apparatus

### Description

---

Resistances in Series and Parallel Apparatus

To verify properties of Resistances when connected in series & parallel.

Instrument comprises of Two moving coil meters to measure voltage & current, circuit diagram for series & parallel connections Printed, Resistance mounted along circuit.

Dimension 10"x8"x3".

Contact JLab Export for your Educational School Science Lab Equipments. We are best scientific laboratory equipments manufacturer, scientific laboratory equipments supplier, technical educational equipment exporter, technical educational equipment manufacturer, technical educational equipment supplier, technical educational equipments exporter.
