

**Product Code . EL-LE-11130**

## Voltmeter Laboratory Type

### Description

---

Model No. : “JL108/02”

#### AC Voltmeter

**Range:** 0-15V-150V-250v-600v

#### Features :-

High efficiency and convenient use

Compact size

Easy operation and stable work

Binding post or safety socket connection

#### DC Voltmeter

**Range:** 0-3V-30V-300V-600v

---

**Features :-**

High efficiency and convenient use

Compact size

Easy operation and stable work

Binding post or safety socket connection

---
