

Product Code . JL-MM-1263

Moisture Meter for Woods

Description

Moisture Meter for Woods

Microprocessor based, Digital, high accuracy portable instrument, workable on battery cells, complete with probe Automatic temperature compensation.

Moisture Meter for Wood Manufacturer, Moisture Meter for Wood Suppliers, Moisture Meter for Wood India, Moisture Meter for Wood Exporter, Moisture Meter, buy Moisture Meter for Wood, Moisture Meter for Wood, Analytical Research Equipment, buy Moisture Meter for Wood Online India

Specification:-

Range	8- 40%
Accuracy	± 0.3%
Dimension	25x12x9cm
Sensor	2 Pin Probe
Operating	6 Battery Cells
