

Product Code . JL-DSO-1530

## Digital Storage Oscilloscopes

### Description

---

#### Digital Storage Oscilloscope

#### Special Feature:-

Dual analog channels

1mV/div ~20V/div wide test range

Particular screen copy function

Support plug and play USB storage device, can connect with PC and remote control by PC

Software upgrading by USB host port

Waveforms call in and call out

Auto test 28 kind of waveform parameters

Transcribe and replay waveform functions

Many operation languages

**Digital Storage Oscilloscopes, Electrical Training Equipment Suppliers, Digital Storage Oscilloscopes Manufacturers, Electrical Training Equipment Exporters, Digital Storage**

---

**Oscilloscopes Instrument, Digital Storage Oscilloscopes Equipments, Electrical Training Equipment Suppliers, Electrical Training Equipment Exporters, Educational Equipments, Electrical Training Equipment Suppliers, Digital Storage Oscilloscopes Equipments Manufacturers, Electrical Training Equipment Exporters, Electrical Training Equipment Suppliers, Electrical Training Equipment Suppliers, Digital Storage Oscilloscopes Equipments Manufacturers, Electrical Training Equipment Exporters, Buy Digital Storage Oscilloscopes, Digital Storage Oscilloscopes Buy India, Digital Storage Oscilloscopes buy India Online, Digital Storage Oscilloscopes Online**
