#### Folding Meter Sticks Plastic

- This folding meter stick folds into fourths on three hinges for easy storage.
  - Calibrated in Metric units and enable us to measure objects.
  - It's important to know how to read a ruler because you never know when you might need to measure furniture or other objects.
  - Metric rulers only deal with centimetres and millimetres.
  - Inches are part of the American system but the metric ruler uses the metric system, which is based on decimals.
