Geometrical Solids

Description

Geometrical Solids

- Each shape has a different, bright color to help children identify and verbally describe the differences.
- The dense foam also allows for crisp, clearly defined edges and is wonderful for starting discussions about basic geometry and spatial relations.

Set Includes:

- Rectangular Block: 2-3/4"Sq. x 5-1/2"H
 - Cylinder: 2-3/4"Dia. x 5-1/2"H
 - Cube: 2-3/4"H x 2-3/4"W
 - Cone: 2-3/4"Dia. x 5-1/2"H
 - Sphere: 2-3/4"Dia.
-
