

**Product Code . JL-RE-2083**

## Magnetic Stirrer with Heating System

### Description

Magnetic Stirrer with Heating System

Compact stirring device utilizing a rotating magnetic field applied from below the container.

Lamp, plug cord, continuously variable speed regulator.

The body is made of mild steel duly finished in Stirring and heating units are properly insulated.

In model with heating system temp. is controlled by AC 50 HZ single phase.

Capacity:-

1 Liter

5 Liter

Magnetic Stirrer with Heating System Manufacturer, Magnetic Stirrer with Heating System Suppliers, Magnetic Stirrer with Heating System India, Magnetic Stirrer with Heating System Exporter, buy Magnetic Stirrer with Heating System, Magnetic Stirrer with Heating System, Analytical Research Equipments, buy Magnetic Stirrer with Heating System Online India
