

**Product Code . JL-SIC-2403**

## Student Induction Coil

### Description

---

Student Induction Coil

On teakwood base with graduated scale.

Primary coil with 300 turns and secondary with 6500 turns.

**Student Induction Coil Manufacturer India, Student Induction Coil Exporters, Physics Instruments Student Induction Coil, Student Induction Coil Suppliers, Buy Student Induction Coil, Physics Instruments Exporters India, Physics Instruments Suppliers, Physics Instruments Manufacture**

Interrupter working directly off the iron core.

Complete with heavy duty contacts.
