

Product Code . JL-LFH-3880

Duo Fume Hoods

Description

Duo Fume Hoods

Internal liner constructed of phenolic resin laminates with no exposed screws / metal to avoid corrosion hassle.

Black colored phenolic resin work surface resists staining.

Removable spill retention tray under the hinged airfoil.

A fully configurable optional Sentinel microprocessor control with audible and visual alarms for unsafe conditions.

Integral fluorescent lighting mounted out of the air stream for better airflow uniformity.

Instant-start electronically ballasted 5000k lighting system.

780 Lux intensity, flicker-free, isolated from workzone.

Isocide Antimicrobial coating on the cabinet prevents surface contamination and inhibits bacterial growth.

Standard vertical rising fail-safe counter-balanced laminated glass sash.

Electrical system designed to meet the latest international regulations and standards for safety.

Standard service fixtures include 1 water fixture, 1 gas fixture and 2 electrical outlets.

Duo Fume Hoods Manufacturer, Duo Fume Hoods Suppliers, Duo Fume Hoods India, Duo Fume Hoods Exporter, Laboratory Fume Hoods, buy Duo Fume Hoods, Duo Fume Hoods, Analytical Research Equipment
