

**Product Code . JL-SL-4773**

## Centrifuge Electrical

### Description

---

#### Centrifuge Electrical

Electrical Centrifuges with 4 & 8 tube capacity are made available, used in chemistry, biology, biochemistry and clinical medicine laboratories. **Centrifuge Electrical Manufacturer India, Centrifuge Electrical Exporters, Laboratory Instruments Centrifuge Electrical, Centrifuge Electrical Suppliers, Buy Centrifuge Electrical, Buy Centrifuge Electrical Online India, Didactic, Didactic Laboratory Instruments, Laboratory Instruments Exporters India, Laboratory Instruments Suppliers, Laboratory Instruments Manufacturer.** They come with standard fixtures including swing out rotor head & speed regulator. These equipment's run on power supply of 230 volts, single phase 50Hz AC.

The speed of motor is 0 to 3600 RPM.

Contact JLab Export for your Educational School Science Lab Equipments. We are best educational scientific lab equipments, educational scientific labs equipments, engineering educational equipments, engineering educational equipments in india, engineering educational lab equipments, engineering equipments suppliers.
