

Product Code . JL-SL-4822

Acid Accumulator

Description

Acid Accumulator

High quality Acid Accumulators composed of lead & dilutes sulphuric acid as electrolyte. **Acid Accumulator Manufacturer India, Acid Accumulator Exporters, Physics Instruments Acid Accumulator, Acid Accumulator Suppliers, Buy Acid Accumulator, Buy Acid Accumulator Online India, Didactic, Didactic Physics Instruments, Physics Instruments Exporters India, Physics Instruments Suppliers, Physics Instruments Manufacturer.** Used for demonstrative purposes in physics laboratories are available with specification of 2 volts 20 AH and 6C 15AH, Plastic container. Particularly designed with safe and secure features.

Contact JLab Export for your Educational School Science Lab Equipments. We are best school science equipments suppliers, school science kits, school science lab equipment exporter, school science lab equipment manufacturer, school science lab equipment supplier, school science lab equipment suppliers.
