

Product Code . JL-RE-5124

Digital Thermometer

Description

Digital Thermometer

Specifications:-

Digital Thermometer is an ultra-sensitive thermometer that measures even the smallest change in your body temperature.

It is more accurate and more reliable than normal glass thermometers.

Our digital thermometers provide accurate temperatures in about 60 seconds.

These thermometers have a simple push-button start and a large LCD screen for easy readings.

Digital Thermometer Manufacturer, Digital Thermometer Suppliers, Digital Thermometer India, Digital Thermometer Exporter, buy Digital Thermometer, Research Equipment, Digital Thermometer, Analytical Research Equipments, buy Digital Thermometer Online India

Features:-

Rigid tip

Standard display size

General purpose use 60 second readout

Memory recall of the last measurement
