## Flow Table Electric Operated

### Description

---

Flow Table, Electric Operated

We are leading manufacture, supplier and exporter of Flow table Electric Operated.

We design and develop all our machines using premium-grade raw material and components.

Conform to international quality norms and standards, these machines are available in various sizes, designs and models at most competitive prices.

Specification:-

The Flow Table consists of a brass table top  $250 \pm 2.5$  mm Dia, mounted on a rigid stand.

The table top is reinforced with equally spaced ribs and allowed to drop through 12mm by a ground and hardened cam.

The Motor Drive assembly using the geared motor box is designed to rotate the cam through the shaft at 100 rpm.
