

Product Code . JL-MCE-7035

Current Indicator LED

Description

Current Indicator LED

Equipment specifically designed or selected for use in micro scale applications, with all the usual attendant benefits of conducting science on a smaller scale.

For a list of the most common microscience spares please see below.

This is not a comprehensive list, as we`re always adding to our micro science range, so if there`s anything you need but don`t see here then please enquire - if we don`t already have it we might soon start making it!
