Glass Distillation Tube for Combo still

Description

Glass Distillation Tube for Combo still

Equipment specifically designed or selected for use in micro scale applications, with all the usual attendant benefits of conducting science on a smaller scale.

For a list of the most common micro science spares please see below.

This is not a comprehensive list, as we`re always adding to our micro science range, so if there`s anything you need but don`t see here then please enquire - if we don`t already have it we might soon start making it!
