Silicone Tubing

Description

Silicone Tubing

Equipment specifically designed or selected for use in micro scale applications, with all the usual attendant benefits of conducting science on a smaller scale.

For a list of the most common micro science spares please see below.

This is not a comprehensive list, as we're always adding to our micro science range, so if there's anything you need but don't see here then please enquire - if we don't already have it we might soon start making it
