Backpack Soil Quality Test Kit

Description

Backpack Soil Quality Test Kit

A new portable test kit specifically designed for teachers and students to get the most out of field trip testing.

Supplied in a tough rucksack, the kit contains lesson plans and activities tied together by a comprehensive teacher manual that includes information about each parameter.

This kit is designed to look at the main parameters for agriculture, containing all the important tests for evaluating soil quality and fertility, and relates these measurements to the principles of plant metabolism.

Including detailed testing procedures, along with all the sample cups and chemicals to complete each task.

Backpack Soil Quality India, Backpack Soil Quality Manufacturer, Biology Lab Equipments, Geology Equipment, Geology Equipment Backpack Soil Quality, Backpack Soil Quality Suppliers, Backpack Soil Quality Export, Biology Equipments, Biology Equipments Backpack Soil Quality, Backpack Soil Quality Online, buy Backpack Soil Quality, Backpack Soil Quality Manufacturer, buy Backpack Soil Quality Online India.
