Predicting the Weather Poster

Description

Predicting the Weather Poster

Teach students how to predict tomorrow's weather.

Weather is an important part of everybody's life.

Using this poster your students will learn how to read a weather map, recognize weather symbols, decode different types of weather maps, and describe the characteristics of a weather system using the hurricane as a model.

It determines how we dress and what we do on a daily basis.

Includes an illustrated teacher's guide.

Then you can challenge your students to predict your local weather.
