Variety Set 50 Prepared Slides

Description

Variety Set 50 Prepared Slides

Description:-

This General Biological/Scientific Slide Set includes 50 prepared glass slides, is perfect for the keen science and biology enthusiast at an elementary/high school level.

Slides are contained inside a wooden box, equipped with interior padding and individual slots, ensuring safe storage and easy transportation.

Each slide measures 3" x 1" inches (25.4mm x 76.2mm) and is 1mm in thickness.

Slides are individually sealed and protected with cover-slips.

50 prepared slides; an assortment of colorful & detailed insect, plant, animal and human tissues.

Individually numbered and labeled; slides are accompanied with a corresponding key chart, ensuring easy specimen identification and observation.

The slide set is packed and fitted in a sturdy shatterproof wooden case that contains interior padding for secure storage and safe transportation.

Perfect for general microscopy applications, science enthusiasts of all ages, or students at elementary/high school levels.

The glass slides provide clear, colorful observation and are individually sealed and protected by a

glass coverslip.
