

**Product Code . JL-GLE-8542**

## Motor

### Description

---

Motor

Description:-

Electronic motors are fascinating and are a brilliant practical application of magnetism theory.

They're also an excellent addition to school projects that require moving parts.

1.5-3V economy model (21mm Ø)

4.5-6V high torque type (24mm Ø)

3-4.5V medium torque type (21mm Ø)
