

Product Code . JL-PEAWE-8719

TIG Welding Machine

Description

TIG Welding Machine

Description:-

We are determined to provide a superior quality range of TIG Welding Machine with Harbor Freight to our esteemed clients.

Our offered machine is manufactured at our state of the art manufacturing unit under the strict supervision of our skilled professionals using superior quality components and innovative technology.

We provide this machine in various types of models as per our client's requirements.

This machine provides thermal overload protection with indicator light.

Clients can avail this machine as per their need at industry leading prices.

Suitable for X-Ray Quality Welding.

Available In 200 AMPS to 600 AMPS With Pulsing and Water Colling Facility.

The suitable machine for also minimum thickness 0.6 mm.

Feature:-

Power Saver

High Frequency

Multi-Process Power Source

Compact and portable

Excellence welding properties

High precision, easy Arc

Plug in anywhere

Safety protected
