Gimlet Bits Set

Description

Gimlet Bits Set

Black finish tempered steel.

They'll pilot drill for #2-9 screws.

The threaded tip pulls the gimlet along while the auger body pulls chips out.

The 7 gimlets have diameters that measure approximately at 5/64", 3/32", 1/8", 9/64", 5/32", 11/64" & 3/16" (approximately 2 mm to 5 mm).
