Glazing Hammer

Description

Glazing Hammer

No professional window installer should be without one.

Thor products give a firm blow without the risk of damage or marring.

The perfect glazing hammer for the professional Upvc double glazing installer.

The Thor 1lb nylon glazing hammer:-

widely used in the Upvc window trade to clip fit double glazing window beads quickly.

By using this professional glazing hammer you will seriously reduce your glass breakages and also prevent unsightly marks on the frame and glazing beads.

Technical:-

Hammer weight - 1lb

Hammerhead diameter - 32 mm

A quality British tool made by Thorex Tools.

Chrome plated Zinc heads with Nylon faces.

Fitted as standard with replaceable screw in Nylon faces.

Faces are designed to wear and are replaceable by hand.

Used, due to the easily interchangeable heads, as a multi purpose striking tool in most assembly applications including Double Glazing, engineering, furniture, shopfitting, partitioning, injection molding dies etc.
