Beaker with Handle

Description

Beaker with Handle

Make quick conversions with dual metric and English scales! Scales are on both sides and are in attractive blue print for ease of reading for both right- and left-handed users.

Graduations are in 1 oz./10 ml increments.

Made from translucent, high-clarity polypropylene food-grade resin.

Durable handle allows for drainage when inverted and the handle and thumb grip make dispensing easy.

Tapered beaker nests for storage.

Maximum operating temperature:
