## 4 Floating Magnetic Rings with Stand

### Description

---

#### 4 Floating Magnetic Rings with Stand

- Each of the four colored rings is a magnet that sits on a magnetic base.
  - The rings can be flipped to either attract or deflect one another to simulate floating.
  - The base is 4-inches tall, 1.5-inches wide.
  - The 4 rings included are 1.25-inches in diameter with a hole to slide onto the base.
  - Keep away from electronic items as the magnets will cause irreparable damage.
  - **Please Note:** Picture is a representation of product assortment.
  - Color of product received may vary based on availability.
