Vinyl Real Graph Two Sided Mat

Description

Vinyl Real Graph Two Sided Mat

A waterproof surface that is great for graphing real objects.

This 29 x 8 ft. floor graph has a 4 x 14 grid silkscreened on one side and a 3 x 10 grid silkscreened on the other side.

The 4 x 14 grid has 6 squares and the 3 x 10 grid has 9 squares.

The blue lines on a white background show off objects clearly.
