Electro-Magnetic Horseshoe

Description

Electro-Magnetic Horseshoe

- Kids find magnets both fascinating and fun, but the magic begins when you create a strong electromagnet at the push of a button.
 - Durable and reliable, these electro-magnetic horseshoes include an off and on indicator light and an assortment of nuts and bolts to pick up.
 - Batteries are not included with this item.
 - **Two 'AA' batteries required, not included.**
 - Keep away from electronic items as the magnets will cause irreparable damage.
 - **Please Note:**
 - Picture is a representation of product assortment.
 - Color of product received may vary based on availability.
 - A preview of the included instructions can be found at the bottom of this listing.
