Everyday Shapes Activity Set

Description

Everyday Shapes Activity Set

Make connections between geometric shapes in the abstract and in the real world with this set of 12 colorful, soft-foam shapes and 16 double-sided activity cards featuring full-color, still-life photographs.

Shapes measure 1-3/4 to 3 and include a cone, sphere, cube, square, pyramid, hemisphere, two cylinders, two rectangular prisms, triangle prism, hexagonal and octagonal prism and square pyramid.
