

Product Code . JL-M-978

## Electromagnet Physics

### Description

---

#### Electromagnet Physics

- To demonstrate the principle of an Electromagnet.
  - Comes complete with hanging hook, loading plate with hook and connecting wires.
  - Supplied with a plastic storage box.
  - **Specifications:-**
  - Operates on 3-6V DC.
  - 65 mm L x 55 mm W.
  - Measurements are approximate.
-
