Biology Experiment Kit Complete

Description

Biology Experiment Kit Complete

Our science experiment kits will equip you with all you need to carry out each of the practical experiments included in your cloud-based Middle or High School Science program.

Each of the kits includes a range of items needed to perform the scientific hands-on learning tasks.

This comprehensive set contains the complete range of biology experimental kits.

Each of the kits includes items to perform a number of biology experiments, and is provided in a labeled storage box to allow for easy identification and selection during classroom activities.

Each kit is also supplied with an inventory to provide simple resource management and replenishment of any consumable items.

The complete set of experiment kits includes one each of the following:-

Apparatus Kit

Human Torso Kit

Human Biology Kit

Plant Biology Kit

Microbiology Kit

Microscope Kit
